

Farmington Valley
Visiting Nurse Association

The State of Connecticut records all vaccinations you have received by type and date.

CT WiZ is a secure online immunization information system maintaining complete, consolidated vaccination records. Only you and healthcare workers can access this information, which is not shared unless you sign a release.

This site allows you to check what immunizations you have received and to print your or your child's immunization record when needed.

If you wish to opt out of the state vaccination record:

Send a letter by mail or fax to the below address, including the full legal name, date of birth, and the address of you or your child if under age 18.

CT Department of Public Health, CT WiZ

410 Capital Avenue, MS#11 MUN

Hartford, CT 06134-0308

Or FAX: 860-707-1925

After your request is received, CT WiZ will no longer update or make available your vaccination record per State law
